DISCLAIMERS

1 VC-Turbo™ launched by INFINITI in model year 2019. **2** ProPILOT Assist cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. **3** Forward Emergency Braking with pedestrian detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **4** INFINITI has taken care to ensure that the digital colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to viewing light or screen quality. Please see the actual colours at your local INFINITI Retailer. **5** Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within INFINITI or its partners' or agents' control and may be discontinued at any time. For more information, see retailer, Owner's Manual, or <https://www.infiniti.ca/intouch>. If equipped, your vehicle may include INFINITI InTouch connected features and service such as Emergency Call and Automatic Collision Notification for one year, Wi-Fi, Navigation, Bluetooth and other connected features. For complete information about your INFINITI InTouch features and services, please consult your vehicle's INFINITI InTouch Owner's Manual or your INFINITI retailer. INFINITI InTouch with Wi-Fi terms and conditions of subscriber agreement apply. **6** Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. **7** Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. **8** Predictive Forward Collision Warning cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for safety information. **9** Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. **10** RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. **11** Available on select models. **12** Blind Spot Warning and Blind Spot Intervention Systems cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. **13** Lane Departure Warning and Lane Departure Prevention Systems operate only when lane markings are clearly visible. Speed limitations apply. See Owner's Manual for details. **14** Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **15** Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **16** See Owner's Manual for safety information and system limitations. **17** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **18** Around View® Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. **19** Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. **20** Up to 1,361 kg. (3,000 lbs.) maximum towing capacity for 2021 QX50 2.0-litre VC-Turbo AWD crossover when properly equipped. Towing capacity varies by configuration. See INFINITI Towing Guide and Owner's Manual for additional information. Cargo and load capacity limited by weight and distribution. Always secure cargo. **21** Additional cost applies for this option. See your INFINITI Retailer for details. Android® and Android Auto™ are trademarks of Google LLC.
